

*A leading distributor of  
Annuities, Life Insurance &  
Long Term Care Insurance.*

## Sentinel Security Life Insurance Company Product Specific Training

1. Go to: <https://sslco.admin-portal.org/training/> and select "Begin Now"
2. Log in using your email address and your SSL agent number or SSN/Tax ID. If needed, you will be prompted to register using your information.
3. Once you have completed registration, you will be taken to the courses page when you can select the course you would like to complete.
4. Once finished, it is automatically uploaded to the Sentinel Security Life processing team. The course completion certificate can be saved or printed at the end of the training.

Please feel free to contact Sentinel Security Life at 800-247-1423 if you have any questions or need assistance.
