## Revol One Product Specific Training

1. You will receive a welcome email from Revol One once your appointment is completed. You will need to click on the link provided in the email to register on the My Revol One agent portal.
2. Once you are logged in, click on the "Products & Trainings" tab.
3. Click on the product training for each product. The product training is a PDF, once you click out of the PDF the training status will show up as "completed". That is all you need to do!
